

Typescript of transcription of "Old Webb Bible", made 8/23/05 by Theodore A. Webb, at 8223 W 113th Terrace, Overland Park, KS 66210. Bible was found in the Webb residence located at 4228 Middle Ridge Road, Perry, OH 44081. It is apparent by reference that the Bible was that of Wilford and Wilhelmina (Champion) Webb. Wilford was son of Isaac and grandson of James and Anna (Scott) Webb. Pages 1 to 4 of the Bible are missing. Those items noted in gray text are of poor legibility; actual transcription is in Courier type. These pages are located between the Old and New testaments and intended for recording family history. Following transcription is generally in the same layout as original.
