Charles and Anna Webb bounty land

Source packet and retrieval guide | 26 October 2026

The original patent verifies the previously reported warrant **67318: 160 acres under the Act of 11 February 1847**. Anna Webb is Charles's mother and heir at law; Salmon Vesey is assignee. The tract book records location on **3 September 1851**; the patent is dated **1 January 1852**. These are different events, not a verified warrant issue date.

What remains unresolved

The declaration is for bounty land, not a pension. It says private; the patent says corporal. The original patent gives 160 acres, not the compilation's 140. Its 1860 reported date remains unexplained; 76629 / 5 November 1849 is still an unverified reference. No intermediate Isaac Webb assignment is shown. The sources do not establish James Webb's parentage or earlier origins.

Land: NW quarter of SE quarter and south half of NE quarter, section 28; SW quarter of NW quarter, section 27; township 84 North, range 9 West, Dubuque office, Iowa. Combined area: 160 acres.
